

MatPak - Interiors III
High-Resolution Material Presets for MODO

Texture Sample Reference

MatPak Interiors III Texture Sample Reference

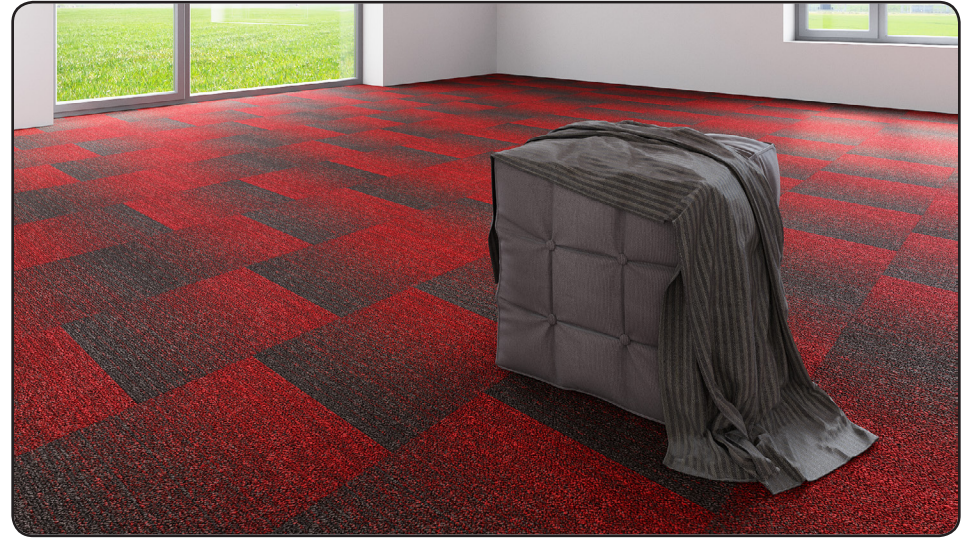

This document presents rendered samples of texture presets from the Interiors III MatPak texture presets for MODO in typical usage scenarios, to better demonstrate their quality and flexibility. Please note that not every texture in the collection is represented, nor do all image names precisely correlate to the preset name.

License--

This Library is licensed on a per-user basis. Studios & companies should purchase licenses for each of their user. All presets and images were created expressly for The Foundry by Tomas Sciskala. Presets can be used for commercial purposes to make derivative works of 'Content'; creating (a) 2D rendered "final images" or "movie files" and to distribute and sell those derivative works of art (b) "real time 3D assets" that are part of a game or multimedia production that you distribute or sell. You are not allowed to sell or re-distribute any of this Content as a whole or individually unless the derivative work is materially different than the original content. The Foundry shall have the sole right, in its absolute discretion, to determine in each instance whether a derivative work is materially different from the original Content.
